

World Disaster Reduction Campaign 2010-2011  
UNISDR Secretariat  
[lsdr-campaign@un.or](mailto:lsdr-campaign@un.or)

Dear Sirs,

Cascais Mayor's Office is pleased to submit herewith our letter of confirmation to participate in your campaign "Making Cities Resilient".

We are pleased to confirm our commitment to collaborate in the campaign as "Role Model City".

This letter confirms the terms of a verbal pledge which I made to the City Council on the 29<sup>th</sup> of November 2011, to become a role-model for city resilience and to work with UNISDR and its partners in the Campaign.

Recognizing that UNISDR will rely upon my pledge when engaging in activities for the benefit of the populations, I hereby irrevocably pledge our commitment to become a resilient city.

In order to ensure that this pledge is fulfilled, the following organizations will engage with the Mayor's Office during the Campaign;

Parish Councils

- Junta de Freguesia de Alcabideche
- Junta de Freguesia de São Domingos de Rana
- Junta de Freguesia de Cascais
- Junta de Freguesia do Estoril
- Junta de Freguesia da Parede
- Junta de Freguesia de Carcavelos

Firefighter's stations

- Bombeiros Voluntários de Alcabideche
- Bombeiros Voluntários de Cascais
- Bombeiros Voluntários de Parede
- Bombeiros Voluntários dos Estoris
- Bombeiros Voluntários de Carcavelos- S. Domingos de Rana

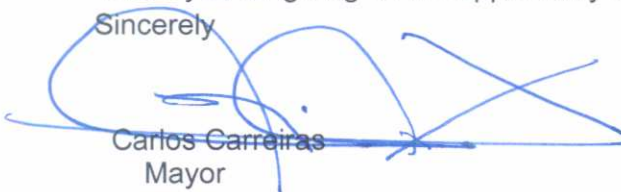

National police authorities

- PSP
- GNR

In the weeks ahead we look forward to receiving comments from UNISDR about our proposal. We understand that the campaign is clearly a "work in progress", which can only be improved by input from the various stakeholders, we, therefore look forward to using their input to develop a comprehensive integrated final development plan.

Thank you for giving us the opportunity to participate.

Sincerely

Carlos Carreiras  
Mayor
