

Annex II

Nomination form for cities and local governments to participate in the campaign

Please send the nomination form and the mayor's letter to isdr-campaign@un.org. Nominations will be accepted on an ongoing basis throughout 2010-11.

City / Local Government (Please indicate the year the numbers were provided.)	
City name	Terranova di Pollino (Potenza province - Italy)
Location (short description)	Terranova di Pollino is located in the Region of Basilicata (South Italy) inside the Pollino National Park, at 926 metres above sea level and along the valley of the Sarmento river.
Size (year)	112 kms (square kilometers) (2001 census)
Population (year)	1334 (year 2011)
GDP	
Hazard type(s)	The territory is subject to three main risks: seismic risk, hydrogeological risk, wildland fire risk
Name of Mayor / Commissioner / Governor / Community leader	
Mr. Vincenzo GOLIA (Mayor)	
Which part of the city administration will be the focal point for the Campaign?	
Civil Defence Department	
Contact details Focal Point	
Name	Francesco RICCARDI
Function	Town Councillor
Address	Comune di Terranova di Pollino, via Dante n.36, terranova di Pollino (PZ) - Italy
Email	comuneterranova@rete.basilicata.it
Telephone	(0039) 0973 93009
Fax	(0039) 0973 93247
Which local institutions will be engaged in the Campaign? (In addition to the local government.)	
Fire Figther Volunteers Associazione di Protezione Civile Terranova di Pollino Gruppo Lucano (civil defence volunteer association) Corpo Forestale dello Stato, stazione di Fardella (Park Rangers)	
Major Disaster Risks (Please indicate major disasters that have occurred, prevailing hazards and vulnerable conditions.)	
The urban area is exposed to seismic risk and, presently, the entire territory is classified, on the italian seismic risk chart, as level 2 (high seismic risk)	

The second mayor risk is the wildfires one. The territory of Terranova del Pollino is rich with wooded area of high environmental value. During the summer dry season the wildfire risk is very high and the consequences can be devastating due to the inaccessibility of the territory.

Several parts of the urban area are classified as hidrogeological risk R4 (the highest one).

Achievements and plans in relation to the ten essentials areas

A - Make an estimation of the **status** per essential as follows:

1 - poor/nothing in place, 2 - some progress in place, 3 - in place, well functioning, or N/A

B - Please describe main areas of **progress** and **achievements**.

C - Please identify **activities** and **plans** your city will pay special attention to **improve the current situation** during the campaign and beyond. Additionally, feel free to propose special events or activities your city would like undertake to raise awareness on disaster resilience. Please select the respective Essential(s).
