A welcoming ceremony was held on 7 December, organized by the Government of Denmark to mark the opening of the fifteenth session of the Conference of the Parties (COP) and the fifth session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP). A statement was made by the Prime Minister of Denmark, Mr. Lars Løkke Rasmussen.¹ The Mayor of Copenhagen, Ms. Ritt Bjerregård, delivered an address of welcome. Further statements were made by the Chair of the Intergovernmental Panel on Climate Change, Mr. Rajendra Pachauri, and the Executive Secretary of the UNFCCC, Mr. Yvo de Boer.

B. Opening of the session

2. Following the welcoming ceremony, the COP, convened pursuant to Article 7, paragraph 4, of the Convention,² was opened at the Bella Center, Copenhagen, Denmark, by the President of the COP at its fourteenth session and the CMP at its fourth session, Mr. Maciej Nowicki, Minister of the Environment of Poland. He delivered a statement thanking all conference participants for the help extended to him during the past year. He encouraged delegates to work in the spirit of solidarity and compromise in order to reach the goal of a global agreement.³

(Agenda item 2 (a))

3. At its 1st meeting,⁵ on 7 December, on the proposal of the outgoing President, the COP elected by acclamation Ms. Connie Hedegaard (Denmark), Minister for the United Nations Climate Change Conference in Copenhagen 2009, as its President. The outgoing President congratulated Ms. Hedegaard on her election and wished her every success in guiding the work of the COP at its fifteenth session. A statement was also made by the newly elected President.

4. General statements were made by the representatives of Sudan (on behalf of the Group of 77 and China), Algeria (on behalf of the African Group), Saudi Arabia, Lesotho (on behalf of the least developed countries), Grenada (on behalf of the Alliance of Small Island States (AOSIS), Mexico (on behalf of the Environmental Integrity Group), Australia (on behalf of the Umbrella Group) and Sweden (on behalf of the European Union and its member States).

5. On 15 December, the Executive Secretary had received a letter from the President, announcing her resignation, which would take effect from the beginning of the first joint meeting of the COP and the CMP convened during the high-level segment on 16 December. ¹ In general, statements made during the opening of the session applied to the work of the United Nations Climate Change Conference as a whole.

² The fifteenth session of the COP was held in conjunction with the fifth session of the CMP. The proceedings of the CMP are contained in a separate report. The proceedings of the joint meetings of the COP and the CMP convened during the high-level segment of the sessions are reproduced in both reports.

³ The full video records of the plenary sessions are available at <http://www2.cop15.meta-fusion.com/kongresse/cop15/templ/ovw.php?id_kongressmain=1&theme>. Papua New Guinea made a proposal on how to resolve this issue. The President announced that she would undertake consultations with Parties and report back to the COP.

8. At the resumed 2nd meeting, on 12 December, the President reported on her consultations. He also introduced a set of nine accompanying draft decisions on specific elements of the Bali Action Plan. The President welcomed Heads of State and Government, ministers and heads of delegation. She emphasized that success was still within reach and that people from all parts of the world, and from all walks of life, had raised their voices demanding action. She underlined that billions of people were expecting their leaders to agree on answers to the challenge. The President also highlighted that more than 100 Heads of State and Government joining the conference in Copenhagen was an important achievement, and that this was the best sign that climate had moved to the top of the international agenda.

88. The joint high-level segment of the COP at its fifteenth session and the CMP at its fifth session was opened by the President³⁹ at the 3rd meeting of the COP and the 6th meeting of the CMP, on 16 December. He thanked all participants for their attendance and invited the statements to begin. Thereafter, statements were made by representatives of negotiating groups, followed by statements from Parties.⁴⁰

E. Deliberations during the high-level segment

92. At the 12th meeting of the CMP,⁴² on 18–19 December, the President informed the Parties that he had held consultations with a broad group of Heads of State and Government and other heads of delegation attending the conference during the high-level segment. Through these consultations, the Copenhagen Accord, as contained in document FCCC/CP/2009/L.7, was developed. In presenting this document, the President noted that the text of the COP and CMP versions of the Copenhagen Accord was the same and he invited Parties to reflect on the proposals contained therein in their respective regional groups. He requested Parties to report back to him with a view to determining what action to take on the Copenhagen Accord. Following the proposal by the President, statements and some points of order were made by 40 Parties, including one speaking on behalf of the African Group, one speaking on behalf of AOSIS, one speaking on behalf of the European Union and its member States and one speaking on behalf of the least developed countries.

93. Many Parties expressed concerns regarding the process by which the Copenhagen Accord was negotiated and presented. A number of Parties expressed their formal objection to the Copenhagen Accord, either for reasons of its substantive content or the process of its negotiation. Many Parties stated their support for the Copenhagen Accord. Having heard the statements by Parties, the President noted that there was no consensus to adopt the Copenhagen Accord and proposed a brief suspension to hold informal consultations with Parties.

94. Following extensive informal consultations with Parties, the President proposed that the COP adopt a decision whereby the COP takes note of the Copenhagen Accord of 18 December 2009. The President also stated that attached to the decision would be the Copenhagen Accord itself and that the list of those agreeing to the Copenhagen Accord would be specified in the title. On this basis, the COP adopted this decision.⁴³

95. On the basis of proposals by Parties and at their request, the secretariat summarized its understanding of the discussion with a view to clarifying the way forward. Firstly, the names of Parties agreeing to the Copenhagen Accord or wishing to be associated with it, would be listed in the chapeau of the Copenhagen Accord. Secondly, this list of countries would remain open until the finalization of the report on the session, after which an up-to-date list would be maintained on the UNFCCC website. Thirdly, no Party's name should be included in the list without that Party having confirmed the inclusion in writing.

96. Following the adoption of the decision and the clarification on the Copenhagen Accord, statements were made by representatives of 27 Parties, including one speaking on behalf of the African Union, one speaking on behalf of AOSIS and one speaking on behalf of the European Union and its member States.⁴⁴ A statement was also made by the Secretary-General of the United Nations, Mr. BAN.

⁴² Due to a procedural oversight, the decision was adopted during the 12th meeting of the CMP. It was clarified at the meeting, however, that both the debate and the adoption of the decision would be deemed to have taken place during the COP meeting. The secretariat was invited to correct the record formally.

⁴³ Decision 2/CP.15, as contained in document FCCC/CP/2009/11/Add.1.

⁴⁴ The entire debate/interventions made during discussion under this agenda item are available at http://cop15.meta-fusion.com/kongresse/cop15/templ/archive.php?id_kongressmain=1&theme=unfccc.
