

First Responders

First Responders (Emergency Services → Multi Colour PURPLE), director, coordinator

Second Responders (Business Engagement) → director, coordinator

Incidents with involvements of (public/private) companies, businesses and organisations, due to the risk and the cause of the incidents, Colour TEAL

Partners who have to work closely together in prevention, preparation and response phase

Incidents that can start at companies and networks and later on will be taken over by the public crisis managers.

Or incidents managed by public emergency services who get assistance of the companies involved.

(Emergency Services

→ Multi Colour
PURPLE), director,
coordinator

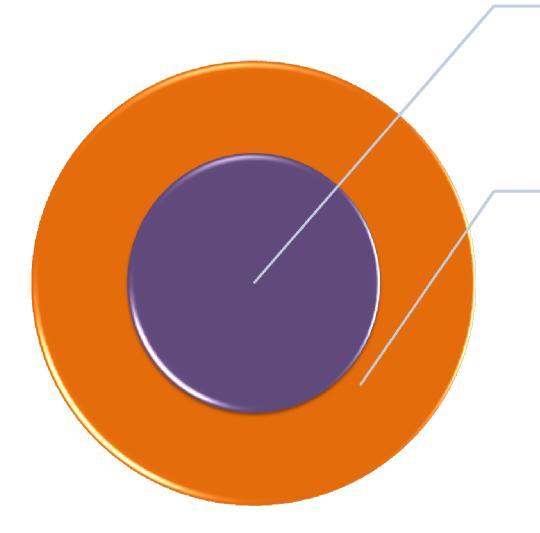

Second Responders
(Rusiness Engagement)

Second Responders (Business Engagement), Colour TEAL

First Responders

Third Responders
(Civilian Involvement,
Community
Engagement →
Colour ORANGE)

Incidents & Events that need involvement of the public and community, to meet the consequences of safety and security, to enlarge resilienc, self supporting, or incidents whereas people are offended by the events and come into action. That could mean business involvement too, but not necessarily.
