# Priority for Action 1

*Ensure that disaster reduction is a national and local priority with a strong institutional basis for implementation*

---

## **Core Indicator 1.1**

*National policy and legal framework for disaster risk reduction exists with decentralized responsibilities and capacities at all levels.*

**How well are local organizations (including local government) equipped with capacities (knowledge, experience, official mandate) for disaster risk reduction and climate change adaptation?**

Level of Progress achieved: 1

Description of Progress & Achievements:

Talangai ne dispose pas d'une organisation de gestion des risques de catastrophe. Elle agit par la mise en place d'une cellule de crise ad hoc.

**To what extent do partnerships exist between communities, private sector and local authorities to reduce risk?**

Level of Progress achieved: 2

Description of Progress & Achievements:

Pas de partenariat formel, mais la mairie est en relation avec certaines associations dans le cadre de l'assainissement.

## **Core Indicator 1.2**

*Dedicated and adequate resources are available to implement disaster risk reduction plans and activities at all administrative levels.*

**How far does the local government have access to adequate**

## **financial resources to carry out risk reduction activities?**

Level of Progress achieved: 1

Description of Progress & Achievements:

La Commune de Talangai n'a pas de budget autonome pour la RRC. Elle depend du budget de la mairie central.

## **To what degree does the local government allocate sufficient financial resources to carry out DRR activities, including effective disaster response and recovery?**

Level of Progress achieved: 1

Description of Progress & Achievements:

Le manqué des ressources financières ne permet pas à la commune de Talangai d'affecter les ressources pour les besoins des activités de RRC.

## **Core Indicator 1.3**

*Community participation and decentralization are ensured through the delegation of authority and resources to local levels.*

## **How much does the local government support vulnerable local communities (particularly women, elderly, infirmed, children) to actively participate in risk reduction decision-making, policy making, planning and implementation processes?**

Level of Progress achieved: 1

Description of Progress & Achievements:

Pas de planification en matière de RRC

**To what extent does the local government provide training in risk reduction for local officials and community leaders?**

Level of Progress achieved: 1

Description of Progress & Achievements:

Pas de formation

**How regularly does the local government conduct awareness-building or education programs on DRR and disaster preparedness for local communities?**

Level of Progress achieved: 2

Programs include cultural diversity issues	Yes
Programs are sensitive to gender perspectives	No

Description of Progress & Achievements:

Depuis l'événement du 4 mars 2012, il y a des campagne de sensibilisation qui sont menées dans les écoles par des reunions et des affiches.
