Agenda

Session 4 of the IAP: Local Implementation of the Sendai Framework		
Chair: TBC		
09:10 – 09:15	Welcome remarks by the Chair	The Chair will also introduce the session's objectives and agenda
09:15 – 09:30	**Presentation by UNISDR**: Local actions in the Sendai Framework: What can the Making Cities Resilient Campaign do to support implementation?	The presentation will - Highlight the focus on local actions of the Sendai Framework - Recap the priorities to strengthen local DRR in Asia-Pacific as reflected in the region's inputs for Sendai Framework - Current plan of the Making Cities Resilient Campaign to support Sendai Framework local implementation
09:30 – 10:45	**Panel discussion**: Priorities for local implementation of Sendai Framework in Asia, addressing emerging urban risk The panel: - Governor or Mayor - National government representative - Civil society representative - Community representative Moderator: A member of the Asian Technical Advisory Group for Local DRR	The panel discussion will focus on: - Key learning in local implementation of the HFA - Priorities for local implementation of Sendai Framework - What should be done to address these priorities and to achieve Sendai Framework Target 5?
10:45 – 11:00	Sign up to the Making Cities Resilient Campaign	This session provides time to provide Certificate for cities/local government that have recently signed up or would like to sign up to the Making Cities Resilient Campaign
11:00 – 11:15	**COFFEE BREAK**	
11:15 – 11:35	**Presentation by UNISDR:** Sendai Framework possible local indicators	This will present the draft local indicators of Sendai Framework, in line with the new 10 Essentials for Disaster Resilience
11:305 – 12:15	**Plenary discussion**: Feedback on the proposed local indicators of Sendai Framework	This session will seek participants comments/inputs and willingness to pilot the indicators in their countries/cities
12:15 – 12:30	Closing of the 2nd IAP meeting of 2015	Summary of key discussions/agreements of the IAP and next steps
12:30 – 13:30	**LUNCH**	

Technical Discussion – Key areas for local implementation of Sendai Framework, tools and approaches				
(Open to all participants)				
13:30 – 15:30 Parallel sessions				
I. **Local Risk Assessment** Key questions: - What kind of risk information/risk assessment available to local government? - What methodologies are being used at local level? - Needs to strengthen the understanding of local risk? - What can be done?	II. **Measuring local risk reduction and resilience** Key questions: - What tools/approaches available for local governments to measure risk reduction progress and disaster resilience? - What can be done to strengthen/harmonize the tools - How to monitor local progress of Sendai Framework?	III. **Develop and Implement Risk-informed Local Strategies and Plans** Key questions: - What is required to make risk-informed local DRR strategies/plans? - Challenges in integrating DRR and resilience building in local development and how to overcome them? - What are priorities for capacity building of local governments?	IV. **Ensuring inclusive disaster risk management** Key questions: - Priorities to ensure inclusive approaches in implementing Sendai Framework at local level in Asia - How to address these priorities? - Who are the actors and what each can do?	V. **Institutionalizing Community-based approaches** Key questions: - Key learning's on CBDRM in Asia - What is required to scale up/institutionalize successful community-based approaches? - How to strengthen the role of community-based organizations, CSO and volunteer networks?
15:45 – 16:00	**COFFEE BREAK**			
16:00 – 17:00	**Plenary discussion**: Bringing all together – Building partnerships for local implementation of Sendai Framework			This will include reporting back by the Moderators of the parallel sessions highlighting key recommendations for each theme. The Plenary discussion will focus on connecting the dots and building partnerships to support risk-informed, inclusive local strategies/plan for DRR for Sendai Framework implementation in the region. Recommendations will contribute to the shaping of future focus of the Making Cities Resilient Campaign implementation.
17:00 - 17:15	**Summary and the ways forward**			
17:15 – 17:30	Closing remarks
