

Open-ended intergovernmental expert working group on indicators and terminology relating to disaster risk reduction

Second session

Geneva, Palais des Nations, Room XVIII
9 February 2015 (Informal session)
10-11 February 2015 (Formal session)

Calendar and programme of work

1. In line with General Assembly resolution 69/284, the open-ended intergovernmental expert working group on indicators and terminology relating to disaster risk reduction adopted its calendar and programme of work at its first meeting.
2. While the provisional calendar noted that the second session would be held on 13 and 14 April 2016, based on the progress in the work attained during the inter-sessional period, the Chair proposed and it was agreed to by consensus by the Member States' experts that the dates for the second formal session will be brought forward to 10 and 11 February 2016, to be preceded by an informal session on 9 February 2016. The present document contains the calendar and programme of work for the second session (formal and informal). Additional details will be made available on the website of the working group.¹
