*You are invited to the UCL IRDR*

# 7TH ANNUAL CONFERENCE

## Global Challenges in Disaster Risk Reduction & Response

We welcome researchers, practitioners, NGOs, city professionals and the interested public to a day of thought-provoking discussions where our in-house and guest experts will present the latest research and issues in risk and disaster reduction, through a combination of talks, panel discussion, conversation, and poster presentations.

- *Keynote Address: Emergency Medical Response in Conflict Area (Andre Heller Perache, Head of Programmes at MSF UK)*
- *Safer Communities through Safer Schools and Digital Health*
- *Gender Responsive Disaster Risk Reduction – Rhetoric or Action?*
- *Global Challenges and Advances in Disaster Risk Reduction*
- *Disaster law, Rights, and Altruism*
