

# SFM in Armenia

*Presenter: Ms. Margarita Hakobyan,  
Ministry of Emergency Situations, Armenia*

# Risk Profile

Frequency

# **DRM National Strategy and the Action Plan**

Approved by the GoA No 14 , April 6, 2017

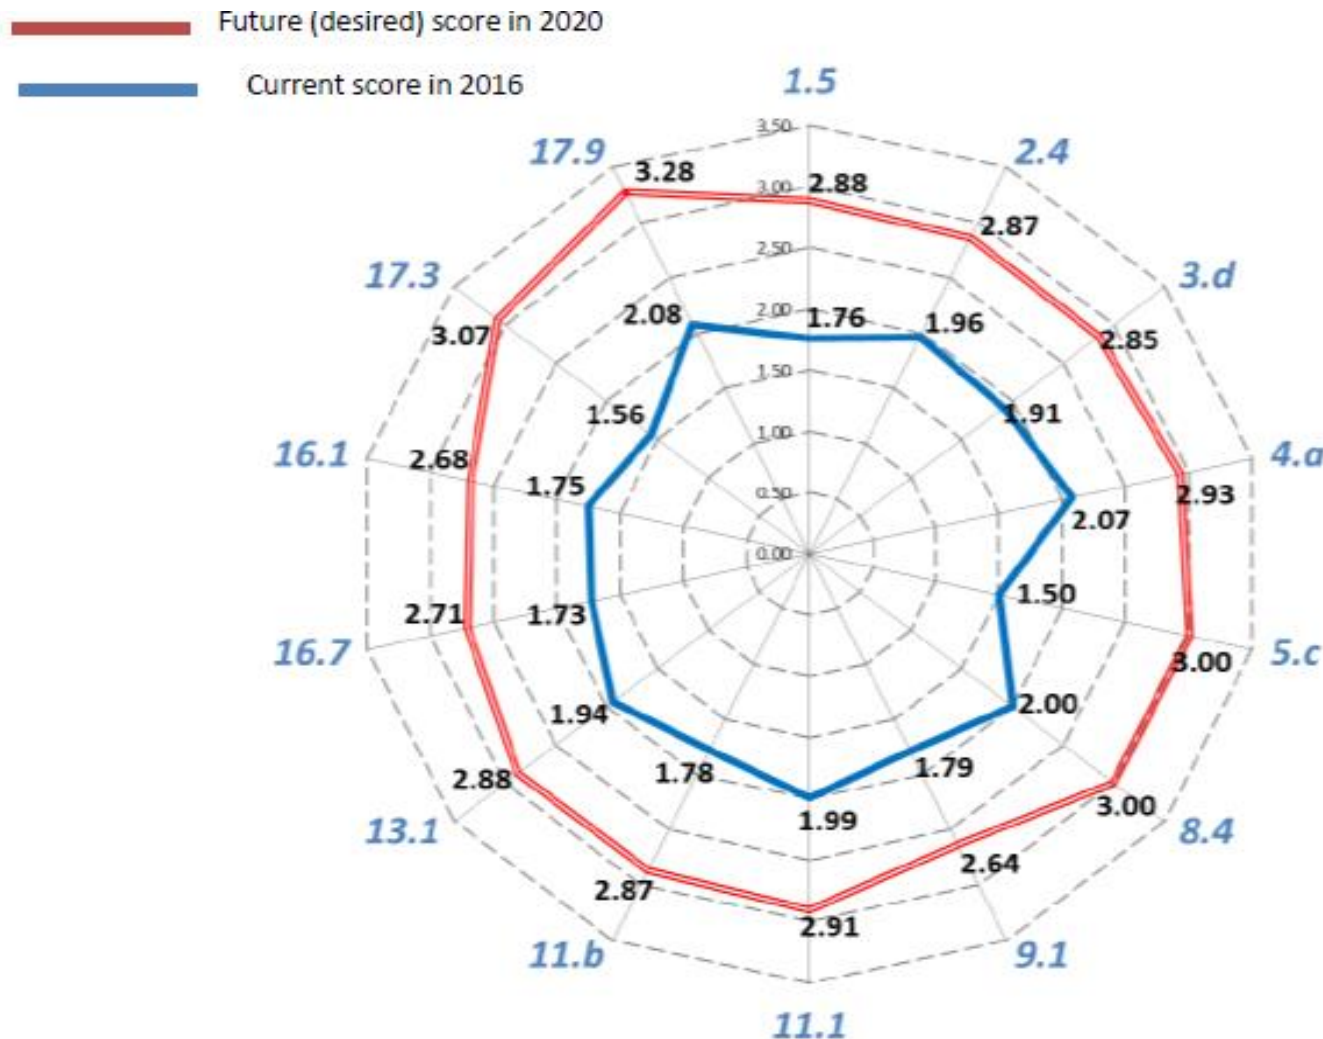

In line with

- ***National Security Strategy***
- ***Sendai Framework for DRR 2015-2030***
- ***SDGs***

Comprised of

- DRM National Strategy (Annex 1)
- DRM NS Implementation Action Plan( Annex II)

# SDGs Target Related to DRM

# DRM National Strategy

1. Introduction
2. Background for the development of DRM National Strategy
3. Current situation analysis
4. **The goal and objectives of the Strategy implementation**
5. Strategy implementation risks and DRM challenges
6. **The main activities for the Strategy implementation**
7. Beneficiaries and stakeholders
8. International practice
9. Implementation phases and expected results
10. **Management, monitoring and evaluation procedures of the Strategy implementation**
11. Financial sources for strategy implementation

# Vision, Goal and Objectives (Chapter 4)

## Objectives (aligned with SFDRR)

**Vision :** *“to make Armenia a resilient country and ensure significant reduction of various disaster threats to human lives, country’s economy and communities by establishing holistic grounds for sustainable development”*

**Goal:** *“ to strengthen disaster risk management capacities for the sustainable development of the country”.*

1. Improve the disaster risk identification, assessment, analysis, monitoring and early warning systems.
2. Raise effectiveness and efficiency of management functions of DRM system, including targeted decentralization.
3. Develop attractive and transparent environment for investments and innovation in DRR.
4. Strengthen capacity for disaster preparedness, rapid response and effective recovery.

# **Activities for DRM Capacity Building (Chapter 6)**

- 1. Improvement of legal and institutional framework.**
- 2. Organizational development, including cooperation**
- 3. Human resource development for DRM**
- 4. Strengthening scientific and knowledge base for DRR**
- 5. Private sector engagement, public-private partnership**
- 6. Targeted capacity for DRM**
- 7. Implementation, monitoring and evaluation**

# Monitoring system of DRM

➤ **Steering Committee** comprised of line ministries, chaired by Minister of Emergency Situations

➤ **Objectives of the system**

1. Present reliable, regular and continuously updated information on DRM NS implementation

2. Analyze the impact of DRM NS programs/actions implementation, including in relation to SF.

3. Generate analytical information for future decision making for DRM NS implementation and respective developments

➤ **Task implementator:**

DRR National Platform

# Components of Monitoring System

Each action, result and objective will require:

1. Assessment indicator/qualitative and quantitative/
2. Baseline information/indicator
3. Means of Verification (Reference)
4. Periodicity
5. Source of information (responsible entities)
6. The format of analytical report

# DRM NS Monitoring System

## Modality #1

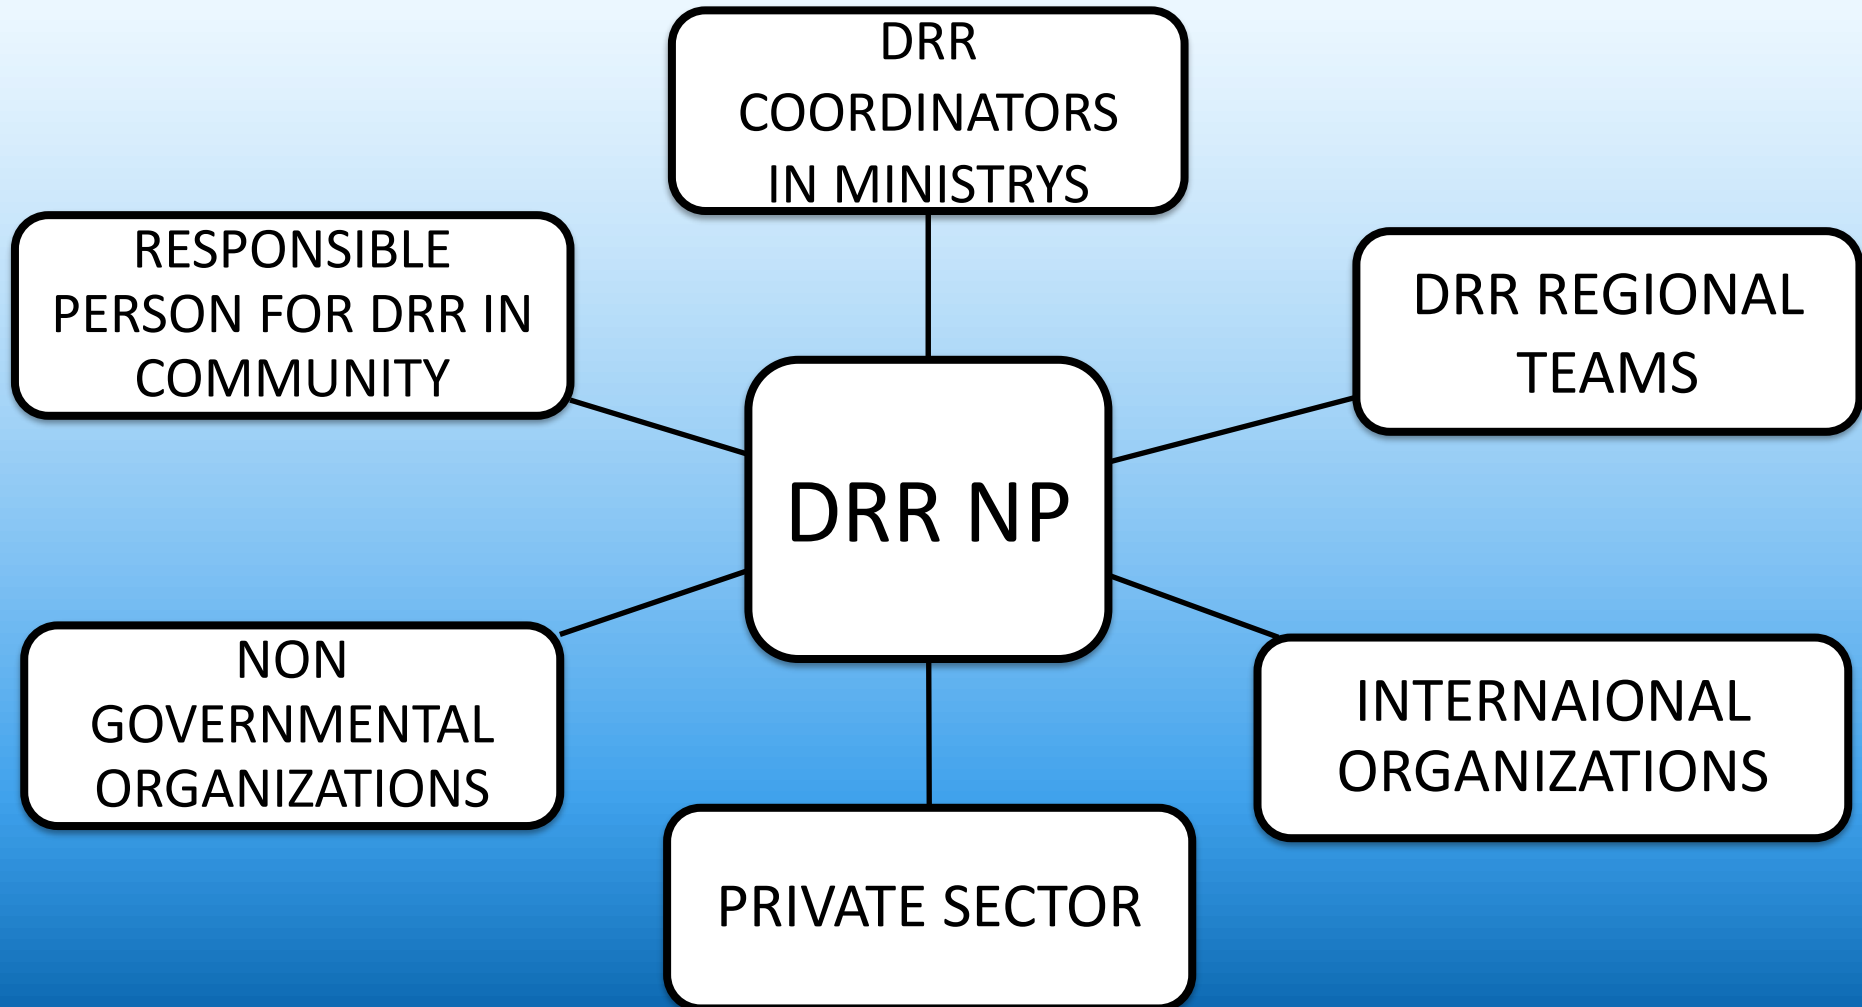

<u>Activity</u>	<u>Expected result</u>	<u>Strategic objective</u>	<u>Sendai Target</u>	<u>Reference</u>
5.2.1 Improvement of seismic safety of general education schools	Enhancement of preparedness and response capabilities to seismic disasters	<b>Priority 4</b> Enhancing disaster preparedness for effective response and to “Build Back Better” in recovery, rehabilitation and reconstruction	<b>Target 4</b> Substantially reduce disaster damage to critical infrastructure and disruption of basic services, among them health and educational facilities, including through developing their resilience by 2030	
<i>Indicator</i> Seismic resistant schools % /	<i>Indicator</i> # of students and teachers	<i>Indicator</i> level of education sector preparedness , %	<i>Indicator</i> Level of infrastructure preparedness , %	MES, MoES, NSS, MTA, etc

# DRM NS Monitoring System

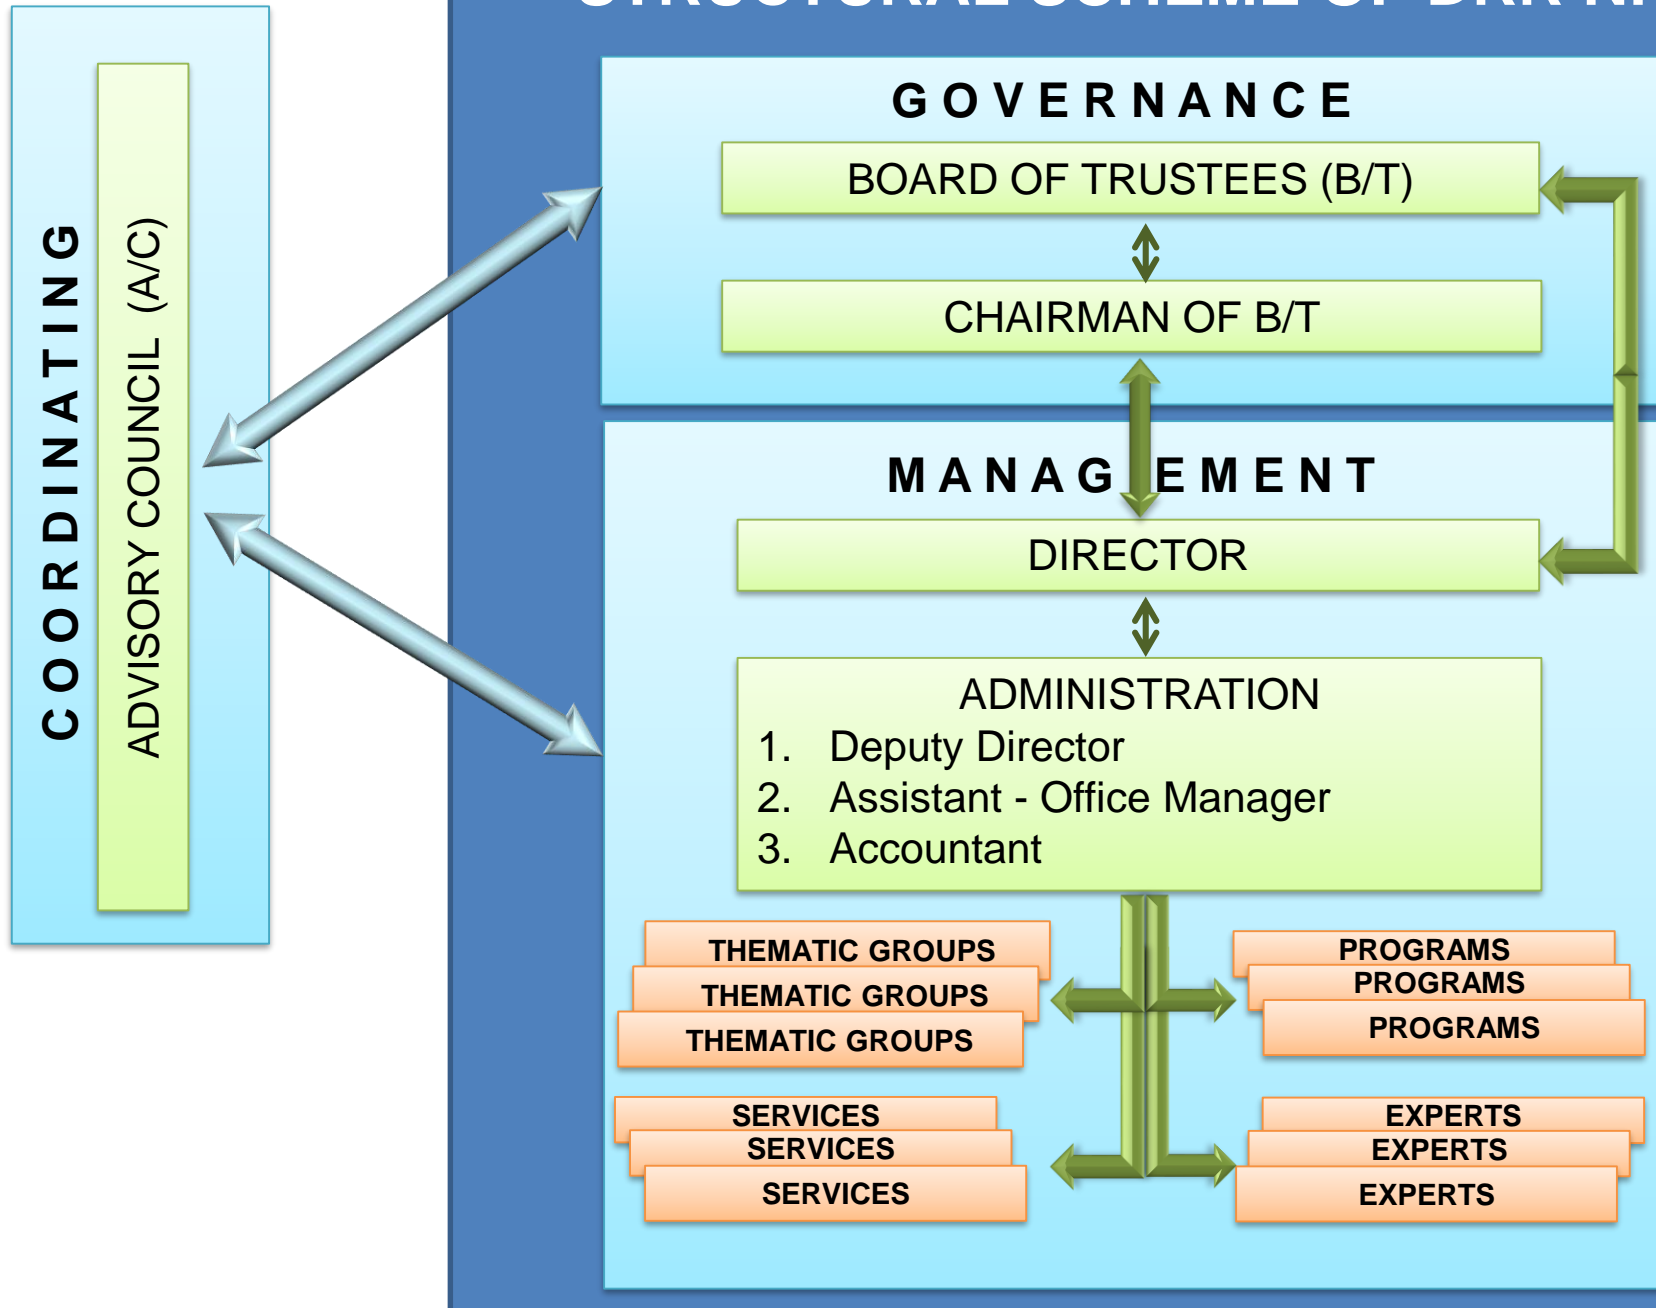

## Modality #2

		Criteria	Source of Reference	Baseline 2017/ 2018	Target 2030	Due to
<u>Activity</u>	5.2.1. Improvement of seismic safety of general education schools	# of schools renovated/ built in compliance with relevant construction norms	MES, MTA Territorial Development Fund			
<u>Expected result</u>	Enhancement of preparedness and response capabilities to seismic disasters	# of activities/events conducted in accordance to DRR plans off schools	MES, MoES, municipalities			
<u>Expected effect</u> (SF, SDG)						

# COOPERATION WITHIN THE COUNTRY

# STRUCTURAL SCHEME OF DRR NP

# Current State Analysis

<b>Strengths Opportunities</b>	<b>Weaknesses Threats</b>
<ul style="list-style-type: none"><li>-Delegation</li><li>-Enhancement of NRR NP capacities</li><li>--Flexibility</li></ul>	<ul style="list-style-type: none"><li>-Insitutional setting</li><li>-Lack of oversight/mentorship</li><li>-Stagnation/fatigue</li></ul>

# Thank you!
