Welcome to Bonn - A Hub of International Synergies

With the experience, structures and competences of 50 years of governmental responsibility, the city of Bonn was destined for its new role as a leading international, scientific and communication centre after Berlin became Germany's capital again in 1990. Today, Bonn fulfils that role with numerous UN organisations, federal ministries and subordinate authorities, development organisations and non-governmental organisations with international orientation that constitute a strong international network in Bonn.

Further information is available at [here](#).

Venue

The opening session will take place at "Altes Abgeordneten-Hochhaus" (AHH), more specifically the Upper Conference Room, which is part of the UN Campus, please see a detailed map below.
