CALL FOR PROPOSALS: PUBLIC FORUM

MARKET PLACE BOOTH

The Africa-Arab Platform on Disaster Risk Reduction is a multi-stakeholder conference that brings together governments intergovernmental organizations, non-governmental organizations, academia, women, youth, civil society, UN organizations and other stakeholders to build on past progress – and limit current and future threats to development. The Africa-Arab Platform will be co-organized by the Government of Tunisia and UNISDR in coordination with the League of Arab States and the African Union Commission from 9-13 October 2018 in Tunis, Tunisia.

Interested governments, Inter-Governmental Organisations, United Nations, media and stakeholders are invited to express their interest in setting up exhibition booths during the Africa-Arab Platform on Disaster Risk Reduction.

INFORMATION

- The market place booths should focus on areas concerning disaster risk reduction, and related to the theme of the event (see above).
- Each booth will be of a standard size of 5 x 2 feet.
- The market place booths will be set up in the exhibition area outside the main plenary hall-OYA (See map).
- Organisations interested in setting up an exhibition booth at the Africa Arab Platform are requested to write to **Ms. Saira Ahmed** (saira.ahmed@un.org) and **Ms. Vanessa Buchot** (vanessa.buchot@un.org) with subject line "MARKET PLACE BOOTH". The request should specify the kind of materials that will be exhibited.
- The conference organisers will provide the space for the market place. However, cost of setting up the booth, including banners, transportation and shipping, will be met by the applicant.
