13:20-13:30 – A tool to support climate-resilient bicycle traffic planning and design

Judith KÖBERL, *Scientist, JOANNEUM RESEARCH*

PUCS has received funding
from the European Union's Horizon 2020
Research and Innovation Programme
under Grant Agreement No. 730004

13:30-13:45 – Panel discussion

How do cities currently make use of urban climate services and how could we increase the adoption of these services?

Moderator: Cédric HANANEL, *Managing Director, ARCTIK*

- Judith KÖBERL, *Scientist, JOANNEUM RESEARCH*
- Maria KAZMUKOVA, *Department of Environment, PRAGUE CITY HALL*
- Erik DE BRUYN, *Environmental Officer, CITY OF ANTWERP*
- Dina SILINA, *Policy Officer, Directorate-General for Climate Action, EUROPEAN COMMISSION*
- A representative of Climate Alliance, TBC

The panel discussion is set to have a high level of audience interaction, nurture the debate and share learnings from and with the audience.

The conference is an official partner event of the EU Green Week. We would like to thank the European Commission and VLEVA for their support.
