Subject: request to participate to the UNISDR Campaign “Making Cities Resilient”

Following the suggestion of the *Associazione Protezione Civile Gruppo Lucano* I had the opportunity to view the UNISDR Campaign “Making Cities Resilient”.

I have found the Campaign of extreme interest and I believe that it will add value to our policy toward strengthening the resilience of our community to disasters.

As mayor of the Town of Banzi I would like to participate in the Campaign.

Our small community, of ancient origin, will greatly benefit from exchanging experience with other similar communities worldwide and we believe that we may also contribute something of value to the international discussions on communities resilience to disasters.

Yours Sincerely,

Banzi, li 08.09.2011

Mr. Nicola VERTONE
Mayor
