Object: joining the World Disaster Reduction Campaign "Making Cities Resilient".

I confirm the that the UNIONE VALDERA (Italy) wish to become a "More Resilient City" joining the UNISDR campaign *My City is Getting Ready!* as Resilient City participant.

We are a union of 15 municipality (Bientina, Calcinaia, Capannoli, Casciana Terme, Chianni, Crespina, Lajatico, Lari, Palaia, Peccioli, Ponsacco, Pontedera, Terricciola, Fauglia e Lorenzana) in Pisa county - Tuscany (IT) and we are a associated management for the civil protection.

The Giunta of Unione has been approved the Ten Essentials for Making Cities Resilient in date 24.06.2011

We will focus the five stream actions proposed in Campaign Strategy to improve the Ten Essentials for Making Cities Resilient described in the Annex II, and we will engage in the process local stakeholders like volunteers organizations, the county and regional governments, the local University, and the whole municipality population of Unione Valdera.

I confirm my availability to sign the campaign the 02 July 2011, during PROTEC2011 event, if Italian Civil Protection Department agree it.

Yours sincerely,

The President of Unione Valdera
Mr. Filippo Faticcioni
