World Disaster Reduction Campaign 2010-2011
UNISDR Secretariat
Isdr-campaign@un.org

Dear Sir/Madam,

The Town of View Royal recognizes the important role of local authorities in taking preventative measures to help protect the citizens, their livelihoods, and the infrastructure of View Royal and our full support is given to the UNISDR campaign for "Making Cities Resilient".

I am pleased to inform you that I endorse the Town of View Royal's participation in this campaign and believe it will strengthen our commitment to preparing for and recovering from all forms of emergencies and disasters and will further enhance our efforts in making View Royal disaster resilient.

It is my hope that our participation will allow for greater networking and information sharing regarding disaster resiliency in all aspects of local government.

We look forward to the ongoing cooperation and support with UNISDR partnering organizations and connected cities around the world.

Please find our application for nomination as a "participating city" attached.

Sincerely,

Graham Hill
Mayor
